4-Way Picture Shown

Our X-treme 4-Way and 6-Way Dozer Blades are an excellent tool for grading. Easily cut a road, level ground for building, or cut a ditch. The dozer blade comes with an electric over hydraulic valve to operate the tilt function of the blade. Only one set of auxiliary hydraulics are needed.

- Electric over hydraulic valve
- Replaceable cutting edge is available
- Available sizes: 72", 84", 96"
- Wire harness included
- 1/4" mold board
- 3-1/2" x 4" cylinders
- 1/2" AR400 edge
- Available with universal 8 or 14 pin wiring harness
- Optional 4-Way Dozer Blade available
